The POABC Executive is met on January 25, 2016 to discuss the process of dissolution of the Association. The POABC Executive has not begun the process of dissolution since sections 11 and 12 of the 2015 Building Act have not yet been adopted. As a result, the 30th Annual POABC Education Conference is being held in Coquitlam BC in October 2016.

The requests for POABC Study Sessions is increasing. Level 1 Study Sessions were held in Whitehorse and Chilliwack, and are planned for Victoria at the end of May and Cranbrook in September.

A prototype module of the Plumbing Inspector Level 1 Course in a modular format was reviewed at Camosun College. The course structure provides a self-paced, facilitated course over a three-month period. A presentation will be made to the POABC Executive members at the Executive meeting in June, and if acceptable the course could be introduced to the POABC membership at the Education Conference in October.

The POABC Exam Committee met with Doug Hatch of the ICC to review the Level 1 and 2 examinations to augment and update the exam questions and diagrams.

Respectfully submitted,

Brian Husband
Vice President, Plumbing, BOABC
