

**THE CORPORATION OF THE CITY OF NORTH VANCOUVER**  
**Plumbing & Gas Inspector**  
**Temporary Full Time**

The Community Development Department – Inspections Division requires a temporary full time Plumbing & Gas Inspector for approximately two years.

You will inspect and report on plumbing systems, sprinkler systems, gas installations; drain tile and damp-proofing installations; hot water heating systems and gas installations; review plans to ensure compliance with applicable codes, acts, bylaws, regulations, and standards; approve or reject work inspected and enforce changes or corrections as required. In addition, you will provide technical assistance to a variety of external and internal contacts and prepare related records, reports and correspondence.

You will possess a Journeyman Plumber - Certificate of Trades Qualification (TQ), Gas Fitter “B” Certification and a Class 5 BC Driver’s License. A working knowledge of cross connection control is preferred. Applicants must have a thorough knowledge of inspection, regulatory, and enforcement work related to plumbing, sprinkler, sewer, and gas-fitting; a working knowledge of the B.C. Building Code, as well as NFPA 13, 13R, and 13D standards.

You will have effective communication, writing and interpersonal skills. Computer literacy in Microsoft Office (Outlook, Word and Excel) is essential. Data entry for purposes of using the City’s wireless electronic inspection system (Tidemark) is preferred. Candidates with experience in inspection and enforcement work, ideally in a municipal setting, are preferred.

You will be required to provide your own transportation in return for reimbursement according to the Vehicle Policy, in the event a City pool car is unavailable.

For temporary full-time positions of eight (8) months or longer, a City employee who is successful on the posting will have the right to revert to their former position.
