

# CHIEF BUILDING INSPECTOR

- *Are you a proven leader?*
- *Do you have excellent communication and problem solving skills?*
- *Do you want to work and live in a beautiful coastal environment?*
- *Don't miss this exciting opportunity!*

Vancouver Island is one of Canada's most enviable locations and Campbell River is ideally situated to take advantage of the best the island has to offer. With a moderate climate, spectacular scenery and year-round recreational offerings at its doorstep, Campbell River is a community that will continue to attract people from all locations.

The City of Campbell River is looking for a **Chief Building Inspector** to join our Community Planning and Development Services Department. You will provide leadership and direction to the Building Services staff by planning, assigning, supervising, guiding and reviewing their daily work. The role will include communicating technical matters to the general public in a manner to gain understanding and compliance. You will also perform highly skilled technical reviews and regulatory work of a complex nature.

To complement your Trades certificate in carpentry, or an equivalent combination of post-secondary education (Building Technology Diploma) and training/experience, you will:

- Have successfully completed the Building Officials Association of BC Level III examination;
- Hold a Level I Plumbing Inspector certification from the Plumbing Officials Association of BC;
- Have taken Supervisory skills training;
- Possess and maintain a valid Driver's License, and produce and maintain a clean driver's abstract, as per City policy.
