BOABC PAST PRESIDENT REPORT 61st Spring Education Conference and AGM May 2016, River Rock Casino Resort, Richmond, BC.

Dear Members and Delegates:

Welcome to the 61st Annual BOABC Spring Education Conference and AGM at the River Rock Casino Resort in Richmond. Thank you all for attending.

I have been actively involved in a number of the BOABC projects during the past year, together with the BOABC President, Manjit Sohi and the BOABC Executive Director, Derek Townson. You will hear more in their reports.

We worked with BC campus on the production of their "Recommendations for a Quality Competency-Based Framework for Training, Assessment and Professional Development of Building Officials in British Columbia".

From there we moved on to Phase 1 of the project, the environmental scan. I was pleased to hear that there was a very high response rate for the survey that was sent out as part of the project. Thank you to all of you who responded. It is great to have so many members actively involved as we move forward with the number one priority in our business plan - Improve Access for BOABC members and the Building Community to Education and Training in all Regions of BC and Yukon.

I have been involved in the discussions with BSSB regarding the new Building Act and the sections dealing with Building Officials that will come into force at a later date.

I was also actively involved in the BOABC sponsorship of a refugee who is now studying the Level 1 course at BCIT and who will later take the BOABC Level 1 exam. We wish her every success and hope to see her employed as a Building Official at some future date.

Respectfully submitted,

Ron Dickinson
Past President
