 - Submitting revised deliverables - Complete Section A + B and sign below

SECTION A: BUILDING CHARACTERISTICS SUMMARY

Exterior Walls <i>(Construction + Effective R-Value)</i>	_____
Roof/Attic <i>(Construction + Effective R-Value)</i>	_____
Foundation/Below-Grade Walls <i>(Construction + Effective R-Value)</i>	_____
Windows <i>(Type + Overall U-Value)</i>	_____
Space Conditioning <i>(System Type, Fuel Source, Performance Rating)</i>	_____
Ventilation <i>(Design basis according to Section 9.32)</i>	_____
Hot Water Heating <i>(System Type, Fuel Source, Performance Rating)</i>	_____
Other Energy Impacting Features <i>(Design basis)</i>	_____

SECTION B: ENERGY MODELLING SUMMARY

Reference Building

HVAC <i>(Energy Use + Fuel Source)</i>	_____
Hot Water Heating <i>(Energy Use + Fuel Source)</i>	_____
TOTAL <i>(Energy Use in Megajoules)</i>	_____

Proposed Building

HVAC <i>(Energy Use + Fuel Source)</i>	_____
Hot Water Heating <i>(Energy Use + Fuel Source)</i>	_____
TOTAL <i>(Energy Use in Megajoules)</i>	_____

The undersigned has produced and/or reviewed the EnerGuide Energy Efficiency Evaluation for the above-mentioned project, created based on the project's design as provided by the Designer of Record. The undersigned has verified that the project complies with the EnerGuide procedures and evaluation process.
