

Building Officials Association of British Columbia

63rd Annual Educational Conference

April 29 thru May 2, 2018 Kelowna, B.C.

The Building Officials Association of British Columbia is a non-profit organization with over 700 members consisting of building & plumbing officials, www.boabc.org

This first ever combined building, plumbing & HVAC educational conference will have an extensive agenda, combined with a great location, which means you will have a real opportunity to meet with many building & plumbing and associate members from throughout BC, the Yukon and NWT to discuss your product or service.

We are sending you this "Early Bird" notification to offer you the opportunity to exhibit in our Trade Show and/or be a conference sponsor during the Educational Conference.

We will be providing two high exposure opportunities to show case your product or services.

- Sunday early evening reception will be open to Building & Plumbing Officials, Contractors, Builders and the Development community
- Monday morning show casing exclusively to the Province's Building & Plumbing Officials and associate members.

The conference will be held at the world class Delta Hotel, Grand Okanagan Resort, www.marriot.com/YLWOK. This is a superior venue, which allows us to locate the tradeshow booths in the midst of the action! Space is limited.

- **Early bird** tradeshow booth \$1000.00 expires February 1, 2018
- Tradeshow booth \$1200.00 February 2 to March 15, 2018

In addition to the Trade Show, there are several sponsorship opportunities available. Please see the attachments for details and submit your commitment. The camera-ready artwork, logos and ad deadline is April 1, 2018.
