

JOB OPPORTUNITY

Building Official

Permanent, Full-Time **Creston, BC**
Regional District of Central Kootenay (RDCK)

The Regional District of Central Kootenay (RDCK) is expanding the Building team! We are accepting applications for a permanent, full time **Building Official** in **Creston, BC**. The new position will suit an experienced, certified Building Official looking to join a professional team and serve their community. As part of our regional Building team, the **Creston Building Official** will be responsible for efficient permitting and inspections services in line with their level of certification.

The ideal candidate will be a certified Level 2 or Level 3 Building Official with BOABC (or equivalent) and will have at least 3 years experience in a Building Official role within a Municipality or Regional District setting. To meet the unique needs of our diverse population, the successful candidate must be a skilled communicator who is able to work well with owner/builders, contractors and design professionals alike. The RDCK offers a competitive salary and benefits package commensurate with certification, experience and abilities.

With an outstanding temperate climate and situated amidst a unique combination of agricultural lands, mountains, rivers, lakes and wildlife, Creston is a vibrant and active community located in the heart of the Kootenays! Creston offers all the benefits of small town living paired with access to great schools, health care services and a thriving local food movement. Located just a few hours away from major city centers, locals enjoy a wide range of recreational opportunities including 3-season golf, hiking, biking, fishing and much more! All this in addition to multiple groups of special interests, numerous activities, theatre, music, arts and wineries.

Why not come and see it for yourself?

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES

In addition to BOABC certification and experience as a Building Official, the successful candidate must possess:

- Level 1 Certification with the Plumbing Inspectors Association of British;
- Trade qualification in carpentry, plumbing and/or heating ventilation OR Diploma in Building Science or similar
- Must be a member in good standing with BOABC;
- Ventilation Certificate or ability to quickly attain;
- Valid BC Drivers License and a satisfactory Drivers Abstract;
