

BUILD YOUR CAREER

WITH THE CITY OF PRINCE GEORGE

BUILDING INSPECTOR REGULAR FULL-TIME Development Services / Planning & Development Department

An Inspector role with room for advancement

In this challenging role, you will provide professional expertise in the inspection of residential, commercial, and industrial developments to ensure general compliance with the B.C. Building Code and City By-laws. Advising on a wide variety of construction matters as well as issuing building and plumbing permits, consulting with design professionals, developers and the general public are part of the Building Inspector's responsibilities.

You possess a trade qualification in carpentry or have completed a recognized technical school diploma program in building or construction technology as well as having a BOABC Certification Level 1, at minimum. You also have three or more years' experience in a similar role and a thorough understanding of B.C. Building and Plumbing Codes as well as a comprehensive knowledge of modern building and construction practices and materials.

This **regular full-time** position offers a wage range of **\$36.29 – \$42.40** per hour, depending on qualifications and experience, plus an excellent benefits and pension package.

Please apply in confidence online by **May 3, 2018** to:
