

The City of Revelstoke is seeking an energetic professional for the position of Building Services Manager. We are looking for a focused individual excited about becoming a key member of the Development Services team. The ideal candidate will offer a Building Official Association of British Columbia certification and construction experience. The primary responsibility of the Building Services Manager is to participate in and oversee delivery, management and administration of building inspection and business licensing services.

The position is accountable to and works under the direction of the Director of Development Services and often liaises with Engineering and Public Works staff and Emergency Services staff in ensuring administration of safety and code related bylaws.

Complete job description is available [here](#).
