RE: Fall Education Conference Registration Fee Rebate

“FortisBC, our Title Sponsor for this year’s Fall Education Conference, believes in the ongoing support of educational opportunities for Building Officials, municipal staff along with the building community to provide expanded knowledge in areas such as energy codes, energy use in buildings and energy-efficiency requirements in construction. As such, we are extremely pleased to announce that FortisBC is offering a full educational reimbursement on your conference registration fee.

The reimbursement will be processed and paid to the payor of the registration costs after the conference. Full details on how to obtain the rebates will be provided with your registration package.”
