

JOB POSTING

Plan Checker/Inspector (2)

Regular Full-Time

Development Services Department

Competition #20-29

August 14, 2020

Applications are invited for two Regular Full-time Plan Checker/Inspectors to work in the Development Services Department. Under the direction of the Manager of Building and Licensing, the Plan Checker/Inspector is responsible for reviewing plans accompanying applications for a variety of construction projects to ensure structures comply with the B.C. Building Code and City bylaws and related statutes and coordinating the processing of applications through City departments. The Plan Checker/Inspector is also responsible for assisting with the inspection of building projects during construction, alterations or repair to ensure compliance with approved plans, established by-laws, acts, codes, standards and regulations.

RATE OF PAY: Pay Grade 28: \$40.51 to \$43.03 (2019 C.U.P.E. Rates)

HOURS OF WORK: 35 hours per week (Monday to Friday)

Our comprehensive benefits package is included.

The successful candidate will have thorough knowledge of the British Columbia Building Code, City by-laws, policies and regulations, including Workers' Compensation Legislation. A valid Class 5 B.C. Driver's License along with Level 2 Building Official Certification from the Building Official's Association of BC (BOABC) are required. As condition of employment, the successful candidates will need to obtain their Level 3 Building Official Certification from BOABC by February 28, 2021. Graduation from a program at an Institute of Technology in building technology and a minimum of 2 years experience as a Plan Examiner in a city/municipality in the Province of B.C. with a primary focus on Part 3 buildings is desired. Details of the position and its requirements can be found in the job description at the following link: <https://langleycity.ca>

We will be accepting applications until successful candidates are selected. Please submit the following: a resume, covering letter and copies of required certifications to:
