

2021-22 Operating Budget Overview

March 19, 2021

2:00pm -3:30pm

As discussed at the 2020 Annual General Meeting, the Executive Committee (Executive) is committed to increasing transparency around the financial standing of the Building Officials' Association of B.C.

The Executive just recently approved the 2021-22 operating budget for the Association at its March 9 meeting and would like to provide members with an opportunity to review this information before the Special General Meeting scheduled for March 26, 2021.

The budget overview will include information about projected revenues and expenses for 2021-22 and key initiatives planned for next fiscal year. An updated forecast for the 2020-21 budget will also be presented, and time will be set aside for a question-and-answer session with members.

For those who cannot attend, a summary of the 2021-22 operating budget with explanatory briefing note will be provided to all members following the March 19, 2021 overview. Further, the information will also be presented at the March 26, 2021 Special General Meeting.

If you are interested in attending the budget overview on March 19, 2021, you will have to register online. To register for this meeting, please click here [BOABC - Member Login \(boabcaccess.org\)](https://boabcaccess.org).
