Date: September 26, 2022

Living and working with gratitude and respect on the ancestral, unceded, and un-surrendered territories of Indigenous peoples in British Columbia.

- (1) **CALL TO ORDER @ 1:00pm** (Blaine)
I would like to begin by acknowledging the ancestral, traditional, and unceded territories of Indigenous peoples in British Columbia, on whose territory we are today.
- (2) **GUESTS (no motion required)**
 - Adam Hatch, Registered Architect & Board member of Heritage BC
 - Murray Johnson, P. Eng. specializing in Codes
 - Douglas Bennion, Airfoam Industries
 - Jun'ichi Jensen, Building Safety Standards Branch (BSSB)
 - Andy Chase, Building Safety Standards Branch (BSSB)
 - Tiffany Warkentin, Building Safety Standards Branch (BSSB)
- (3) **AGENDA (requires motion to adopt)** (Blaine)
Motion: adopt the agenda for the September 26, 2022, as presented.

Moved: Jason Berlin
Seconded: Devon Bacon
- (4) **PREVIOUS MINUTES (requires motion to adopt)** (Blaine)
Motion: adopt the minutes and the action items from the February 28, 2022, Zone meeting as presented.

Moved: Sean O'Shaughnessy
Seconded: Bill Darnbrough
- (5) **NEW BUSINESS (no motion required)** (Blaine)

5.1 Heritage Conservation: Ready-to-Implement Alternative Compliance for Heritage Buildings in the BCBC (1:00pm)

- Presented on alternative compliance paths for heritage buildings under the BC building code. The presentation addressed how to identify heritage buildings, conservation

approaches based on Standards and Guidelines in the *Conservation of Historic Places in Canada* (Parks Canada, 2010), building code provisions that enable heritage conservation in accordance with the federal standards and guidelines.

5.2 New Resources for Code-Compliant Part 9 Structures built with Insulating Concrete Forms (1:45pm)

- Introduced comprehensive ICF design & construction resources (Building Envelope Guide for Houses-Part 9 (Rev.2) and Prescriptive ICF Design Guide for Part 9 Structures). The discussion included reviewing key information offered by BEGH re: ICFs, defining the applicability, scope, and limitations of the ICFMA engineering guide, outlining the critical path that the guide's information will follow, and identifying desired outcomes from the adoption of new resources.

5.3 Construction Codes Reconciliation Agreement (2:30pm)

- Presented on changes to the national code development process and upcoming changes to the BC Building Code. Zone members were asked for feedback on how zones could provide input into the code development process. Surveys and zone-specific forums in the member portal were identified as potential means of collecting data. Members were asked to send further thoughts to their zone director and Association office.

5.4 Election of an Alternate Zone Director

- Dana Ferguson nominated Jason Berlin, and Jason accepted. Blaine will bring to the next Executive meeting for appointment.
