

Plumbing & Gas Inspector 1 Job ID: 2023-0097

The City of Richmond is committed to be the most appealing, livable, well-managed community in Canada, a goal that is only made possible by developing our most valuable asset – *our people*. This is a great opportunity to join our team and shape our community. The City of Richmond offers competitive pay programs, comprehensive benefits and attractive incentives. If you are looking to make a difference, and to share our vision “to be the most appealing, livable, and well-managed community in Canada”, then please apply.

Overview

This is a technical and regulatory assessment role, requiring sound knowledge of the design, installation and operation of plumbing, gas and sewer systems, as to evaluate their compliance to adopted regulations, codes, standards and City bylaws. The position reports to the Coordinator, Plumbing and Gas Inspections and requires considerable independence and judgment when making technical and regulatory decisions, while consistently interpreting the wide ranging scope of requirements applicable to all building classes and project complexities throughout the City.

Examples of key responsibilities include, but are not limited to:

- Provide onsite inspections of all plumbing, gas, water, and drainage installations in the City of Richmond.
- Deal with contractors and public with regards to plumbing, gas, water, and drainage inspections and issues arising from these inspections.
- Research existing plans and records, and review plans prior to inspection.
- Maintain accurate computer and paper records and files for future reference of all plumbing & gas inspections.
- Support the development of new inspectors (as a function of experience).

Knowledge, Skills & Abilities:

- Thorough knowledge of plumbing, gas-fitting and sewer-connection codes and standards and the bylaws related to same.
- Thorough knowledge of the methods, practices, materials, tools and equipment used in the plumbing and gas trades.
- Ability to understand and coordinate all phases (design, installation and operation) of building plumbing, gas and/or sewer systems, and to act as a resource to external and internal contacts on such systems.
- Ability to communicate clearly and effectively in both verbal and written form.
- Ability to prepare clear, concise reports and to prepare and present evidence in court.
- Ability to establish and maintain effective working relationships and customer service with owners, trades, contractors and others and enforce rules and compliance with tact and diplomacy.
- Ability to understand and interpret building plans and recognize requirements related to plumbing, gas and sewer installations and disposal systems.
- Ability to use smart phone, computer, and software applications, such as Microsoft Word, Excel and Outlook, and ability to learn similar property records management system and (GIS) Geographical Information System.
- Ability to acquire and apply knowledge of the departmental policies, procedures, and practices related to the work.
- Ability to successfully clear a Police Information Check, and review of driving record.

Qualifications and Experience:

- Completion of Grade 12 or equivalent, supplemented by completion of a recognized apprenticeship in plumbing. Possession of a valid BC Class B Gas Fitter Certificate of Qualification and a minimum of five (5) years of work experience as a journeyman plumber and gas fitter is required.
- Certificate of Qualification - Journeyman Plumber.
- Valid Certificate of Qualification – BC Class B Gas Fitter.

- Valid Class 5 Driver's License for the Province of British Columbia.
- Eligibility for membership with the Building Officials Association of BC (BOABC).
- Qualification or Certification to BOABC Level 1 is preferred.
- Certification as a Local Gas Safety Officer by Technical Safety BC is preferred.
- Cross Connection Control Certification is preferred.
- Experience working in a municipal environment is considered an asset.
- For further information regarding related certification visit Building Officials' Association of B.C.
 - <https://boabc.org/>
