

Building Official

(1 Position – Full Time Permanent)

Looking for an exciting job in BC's beautiful Shuswap? The Shuswap region is a place where incredible nature and welcoming communities come together to create a lifestyle that attracts many from the larger communities of Vancouver and Calgary. Our advantages include outstanding outdoor recreation, an abundance of locally grown food, and good transportation corridors to larger communities.

Position Overview

The Columbia Shuswap Regional District (CSR) is now accepting applications for a permanent full-time **Building Official (Level 1, 2 or 3)** based out of its Salmon Arm, BC office.

Under the direction of the Manager, Building and Bylaw Services, this position is responsible for administration, interpretation and enforcement of the BC Building Code, CSR building bylaws and other applicable bylaws and adherence to department safety protocols, systems improvement, policy and procedures.

Qualifications

A Diploma in Building Technology or a related discipline from a recognized post-secondary institution and a valid Class 5 Driver's License.

Building Official Level 1:

- Level 1 certification with the Building Officials Association of BC (BAOBC).
- Minimum of two (2) years experience working in the field of construction, preferably in carpentry or mechanical trades, and three (3) years relevant experience as a Building Official.

Building Official Level 2:

- BAOBC Level 2 certification and Level 1 plumbing certification.
- Minimum of two (2) years of experience working in the field of construction, preferably in carpentry or mechanical trades, and five (5) years relevant experience as a Building Official.

Building Official Level 3:

- BAOBC Level 3 certification and Registered Building Official certification. Level I plumbing certification and willing to obtain Level II plumbing certification.
- Minimum of five (5) years experience as a Building/Plumbing Official and a minimum of two (2) years of experience working in the field of construction, preferably in carpentry or mechanical trade.
