

DINNER & DRAINS: Moisture Management In Tiled Showers

Tuesday, October 22, 2024

Revelstoke United Floors

99 MacPherson Ave., Revelstoke, BC

Join us for an evening of learning, networking, appetizers, and a little fun!

Agenda

At the end of this program, the participant will be able to:

- Identify the benefits and challenges associated with tiled showers
- Understand the proper design and execution of tiled shower waterproofing systems to protect against moisture damage & mould/mildew
- Recognize the benefits of bonded waterproofing technology and how it has revolutionized tiled showers
- Recognize the specialized waterproofing measures that must be taken when designing a curbless shower for an accessible / adaptable barrier-free environment

5:00 - 6:00 p.m.

Registration, Happy Hour, & Networking

6:00 - 7:00 p.m.

Moisture Management Presentation

7:00 - 8:00 p.m.

Live Shower Install Demonstration

**REGISTRATION required for CPD credits (2 hrs) or 1 CEU/LU
