

Sponsorship Package

2026 Conference

May 24 to 27
River Rock Casino Resort
Richmond, B.C.

The Building Officials' Association of B.C. (Association) is pleased to offer your organization an opportunity to sponsor the 2026 Association Conference. The annual Association conference brings together building and plumbing officials, staff from municipal and provincial governments, engineers, architects, representatives from industry associations, and other stakeholders. The event is typically attended by 200-250 delegates from across B.C. and provides an excellent opportunity to showcase your organization.

The Association has over 1100 members across the province. Most members are employed as building and plumbing officials by local governments to review plans and inspect construction or plumbing systems for compliance with the B.C. Building Code. Members also come from other segments of the building regulatory system, such as building design, construction, testing, and code development. Under the *Building Act*, the Association has been delegated legislative responsibility for administering exams and other qualification requirements for building and plumbing officials in B.C.

The **deadline to register as a conference sponsor is March 31, 2026** and sponsorship opportunities will be allocated on a first-come-first-served basis. You can confirm your support and register as an event sponsor at boabc.org/2026-conference.

Please feel free to contact Katrina Whiteman, Communications Coordinator, by email at katrina@boabc.org if you would like to register as a sponsor or have any questions.

Thank you for your consideration. We hope to see you in Richmond in May 2026!

Sincerely,

Tyler Wightman
Executive Director and Registrar
Building Officials' Association of B.C.
