

## Safety Codes Officer - Building

The City of Red Deer

Join a vibrant outdoor centric community filled with trails and breathtaking nature along the winding river valley of Red Deer, in Central Alberta. Red Deer is an economically dynamic region of Alberta situated directly between Edmonton and Calgary along the vital QE 2 corridor. It is a perfect blend of small town friendliness and big city conveniences.

We are currently recruiting for the right person to fill the position of Safety Codes Officer - Building. This position enforces the applicable discipline's safety codes, standards and regulations for the protection and safety of the public, by performing compliance monitoring functions (including plan checking, inspections, and follow-up), providing education and advice to the public, contractors, trade people, and professionals, and developing and maintaining effective working relationships.

Ideally to fill this role you will:

- A current knowledge of the Safety Codes Act and applicable regulations.
- A current knowledge of discipline specific codes and other regulations as required.
- Safety Codes Officer certification for the applicable discipline to provide all required levels of compliance monitoring services outlined in the City of Red Deer Quality Management Plan.
- Five years of specific discipline experience necessary to be familiar with all aspects of the discipline.
- Ability to become familiar with and follow the City of Red Deer Quality Management Plan and Department policies.
- Ability to work with considerable independence.
- Ability to accurately interpret the codes and regulations.
- Ability to complete detailed plan examinations and inspections of all types/complexities of installations, to determine if the intent of applicable codes and standards is being followed,
- Ability to provide a high level of accuracy and judgment.
- Ability to exert light physical effort in performing inspection at construction sites.
- Ability to work outside in all types of weather.
- Ability to exercise care and observe safety precautions when working at construction sites.
- Effective communication skills, both verbal and written, to communicate with professionals, contractors, trades people and the public, responses to questions and explanation of issues arising from the plan review or site inspection(s),
- Valid Alberta Driver's License.
- Preferred qualifications: Certification as a Part 3 Building SCO, HVAC All.

### What we offer:

In addition to the very competitive hourly rate of \$43.10 to \$59.85 and an excellent benefit package, we offer a great work environment with a dynamic and dedicated team of likeminded professionals.

If you like what you have read and think this is the job for you; come build your career with The City of Red Deer. We are committed to a healthy, vibrant, and sustainable community. Our employees are the cornerstone of our organization and working with us will provide you with the opportunity to work in an ever-growing environment and to work with an awesome group of people.

This position will remain open until a suitable candidate is found
