2026-27 Fee Schedule

The Building Officials' Association of B.C. (Association) is committed to establishing and communicating membership dues and program or service fees in a consistent and transparent manner. The Executive reviews the membership dues and fees identified in this Schedule as part of its annual business planning and budgeting processes and ensures that members and local authorities are appropriately consulted or notified of any changes. The Fee Schedule for the upcoming fiscal year will be published on the Association's website after the three-year business plan and budget are approved by the Executive, which typically occurs before the end of February.
